ACADEMIC PROJECTS

- **Design Project (Final Collection)**
 - Theme: Sea Shells - constructed 8 dresses inspired by shell structures.
 - Incorporated pearls and handmade jewelry crafted from shells as accessories.
 - Focused on texture, structure, and natural elements to present a cohesive collection.
- **Paper Garment Project**
 - Created a two-piece top and skirt inspired by sea wave curves.
 - Used innovative materials such as tissue paper, paper wipes, and glitter for decorative effects.
 - Showcased creativity in translating natural patterns into wearable art.
- **Embroidery Project**
 - Theme: Naturem - designed hand embroidery work representing sea, trees, and mountains.
 - Demonstrated precision and craftsmanship in needlework and surface design.
